

Driving Directions to Villages at Crest Mountain

From Downtown Asheville: take I-240 across the Patton Avenue bridge, heading West. Stay in the left two lanes to merge on the Patton Avenue. At the 4th light after the bridge, make a Right onto Louisiana Avenue. At the first light, make a Left onto Hazel Mill. Hazel Mill will end at a stop sign. At the stop sign, make a Left onto Emma/Dryman Mountain Road (look for Crest Mountain sign) and go approximately $\frac{1}{2}$ to $\frac{3}{4}$ mile to the entrance of the Villages at Crest Mountain, on your right. The entrance is gated, so you will need to go to the Sales Office to gain access.

To go to the Sales Office is located just a few hundred feet further up Dryman Mountain Road, also on your Right. Turn at the stone Crest Mountain sign/waterfall and climb to the top of the mountain. As the road splits into three forks, stay in the middle, and the Sales Office is in the center peninsula, and is a small stone building. Parking is available on your Left side just after the building.

Call 929.252.7778 or 828.275.4108 for directions or to make an appointment to see the property, or you mail email us at info@VillagesAtCrestMountain.com
